

**Kills 99.9%**  
of germs and bacteria

# SANITISER AEROSOL

This alcohol-based sanitising process uses less solution with superior coverage on all surfaces, soft or hard. Fresh innovation from Top Shelf Concepts, guaranteed to kill 99.9% of all bacteria.

SanGuard is a convenient aerosol ready to treat high touch points, and surfaces to protect against illness-causing germs that survive on surfaces for extended periods. Efficient and cost effective, convenient SanGuard delivers protection from an extensive range of micro-organisms.

- Super fine fogging tip - doesn't saturate the surface.
- Sanitise and disinfect difficult to reach and intricate areas.
- Efficient and cost effective.
- Superior surface coverage.
- Uses 65% less product - compared with conventional trigger sprays per metre.
